Southport Reflects on 21-22 Year at Southport's 30th Annual General Meeting

Southport's 30th Annual General Meeting (AGM), held on June 29, brought its Board of Directors, General Members, staff, and special guests together to reflect on the 2021-2022 fiscal year. Out of an abundance of precaution for all those slated to attend, this year's AGM was once again hosted virtually. The AGM began with greetings from Manitoba's Premier, Heather Stefanson, who was unable to join but sent a video message in her absence.

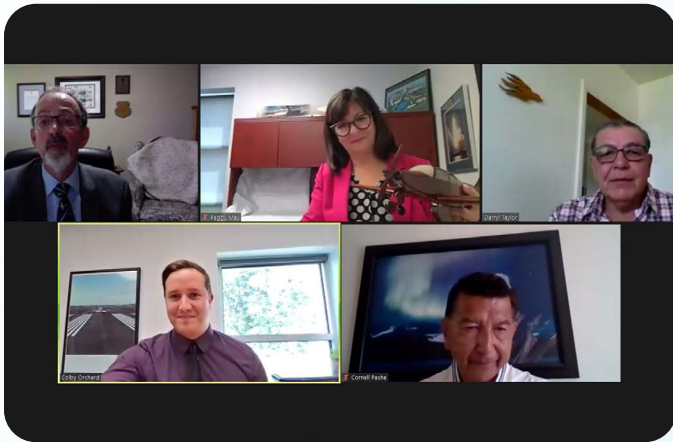

Highlights from the meeting included a positive financial report, a review of events and projects from the past year, and plans for the 2022-2023 fiscal year – a milestone year for Southport as a company. A lot of exciting activity took place at Southport during the 2021-2022 fiscal year despite the challenges that COVID-19 presented. Of note, Runway 13L-31R was successfully rehabilitated and narrowed, the construction of the Four Winds Cultural Centre was completed, and an 11,000-gallon underground fire suppression water tank was installed at Southport Golf Club.

Southport CEO, Peggy May, shared the following regarding current plans to celebrate Southport's 30th Anniversary in 2022, "We're looking forward to hosting a 10km Fun(d) Run on-site in the fall to commemorate 30 years and to raise funds for one of Southport's key partners, the Community Foundation of Portage and District.

Plans are also underway to host a 30th Anniversary Celebration BBQ in the Four Winds Cultural Centre, which will take place alongside the unveiling of a restored CT-134 Musketeer on Centenaire Drive."

It was announced that Doug McLennan would remain Board Chair for the ensuing year and that MNP LLP would continue to be Southport's auditors into the 2022-2023 fiscal year. Southport is also pleased to announce the re-election of Board Members, Dale Lyle and Daniel Bolton, to three-year terms.

During the AGM, Southport Board Chair, Doug McLennan, announced the recipients of the Spirit of Southport Award. This award is presented by the Board of Directors to individuals, organizations, agencies, and/or groups committed diligently and consistently to practicing such values as excellence in standards, transparency, innovation, accountability, integrity, mindful respect, equity, and loyalty to the benefit of all concerned. In recognition of their commitment and collaborative work on establishing the Four Winds Cultural Centre, the Board of Directors presented Darryl Taylor, Consultant, Cornell Pashe, Indigenous Community Coordinator of Portage Community Revitalization Corporation, and Southport's Director, Development, Colby Orchard, the Spirit of Southport Award.

Peggy May shared "Our Board of Directors and Management, supported by a growing team of dedicated employees continue to work toward achieving our annual Strategic Initiatives that contribute to the regional economy. We are proud of Southport's resilience throughout this global pandemic, and we look forward to brighter days ahead celebrating another successful year for Southport."

National Indigenous Peoples Day

June 21 was National Indigenous Peoples Day. A day we celebrate, honour, and recognize the contributions of the Indigenous community.

On this day last year, Southport revealed plans for a cultural space within Southport’s Interpretive Park. This cultural space was to address a long-time need in our community, supporting Indigenous People and their right to celebrate their culture.

Today, the construction is now complete, and the site is referred to as the Four Winds Cultural Centre. To date, the site has been used to hold ceremonies, educational experiences, and gatherings.

Southport values our partnership with the Indigenous community and commit to a spirit of reconciliation and collaboration for the future.

Facilities Update

At the beginning of the month, the teepee went back up, after the long winter, in Southport's Interpretive Park. Members of the Facilities Maintenance Team helped assist with the re-wrapping of the teepee tarp onto the structure.

The team continued to keep busy in the residential area in Southport with the start of their annual residential renovations project, the removal of dead/hazardous trees, fence removal/repairs, landscaping, and the replacement of gas hot water tanks with electric, as part of the residential furnace and electrical panel upgrades. The cross walks also received a fresh coat of paint that will improve onsite safety and curb appeal!

Southport thanks the Facilities Maintenance Team for their continuous hard work and dedication in maintaining the community, making it a beautiful place to live, work, and play.

Southport takes pride in its ability to support various community organizations and initiatives through donations, sponsorships, volunteerism, scholarships, and much more!

Each of the bursaries has its own specific criteria that was meaningful to the donor when the fund was established and are presented annually to students of all ages pursuing their post-secondary education and/or training. For the first time in two years, CFPD was able to host a celebration event and formally present the 2022 Bursary Recipients with their awards.

Southport proudly sponsors these monthly advertisements, as the CFPD is one of Southport's key community partners.

Wine & Nine Golf Tournament Sponsorship

In June, the Portage la Prairie & District Chamber of Commerce hosted their first Women in Business Wine & Nine Golf Tournament at Southport Golf Club.

Corporate Social Responsibility

Donated Space at the Four Winds Cultural Centre

Throughout the month of June, the Four Winds Cultural Centre saw many users and groups utilize the space, through Southport's donation, to hold ceremonies, educational experiences, and gatherings, such as an experiential workshop, hosted by Portage la Prairie Community Revitalization Corporation (PCRC), that explored the nation-to-nation relationship between Indigenous and non-Indigenous.

Southport is proud to continue our support and partnership with the Indigenous community and events that support the education and learning of the heritage, resiliency and diversity of Indigenous peoples in Canada, past and present.

Artist Sponsorship at Fort la Reine Museum

At the beginning of June, the Fort la Reine Museum hosted Ontario Métis artist, Tracey-Mae Chambers with her #HopeAndHealingCanada project. Tracey is travelling across Canada and the United States creating site-specific art installations at residential school historical sites, cultural centres, museums, art galleries, and other public spaces.

The #HopeAndHealingCanada project is created with crochet, knit, and woven red yarns. This ongoing body of work is used to illustrate connections between Indigenous, Inuit, and Métis peoples with Canadians, while also addressing the decolonization of public spaces.

Southport proudly sponsored the exhibit with her travel and accommodations during her art installation. Tracey's artwork will be on display at the museum until the fall when they close for the season.
