Lights, Camera, ACTION! Southport Hosts Outdoor Movie Night for Residential Tenants

Every summer, Southport shows its appreciation to the residential tenants that call Southport home. In the past, this event was a community barbecue. It was then decided, in 2019, to switch things up and host an outdoor movie night instead. Unfortunately, last year the event was unable to take place due to ongoing pandemic concerns, but this year, Public Health Orders allowed for events to take place with guidelines in place to create a fun and safe environment.

On Tuesday, August 31, 2021, the smell of popcorn was in the air as Southport residents and staff were invited to bring a chair or blanket to the outdoor track at Central Plains RecPlex for an outdoor movie night.

To make the event a success, Southport partnered with local Portage la Prairie business, Prairie City Cinema, to provide the newly released Disney film, *Jungle Cruise*, and complimentary drinks and popcorn for all residents.

Originally the event was planned for the week before, but as cold weather loomed, Southport decided to post-pone the event in hopes for warmer weather. This decision proved to be an excellent choice as

Southport residents and staff got to enjoy a beautiful summer evening with a clear sky full of stars.

The annual residential tenant appreciation event has continued to be a great way to connect with our tenants and showcase our growing community. Southport looks forward to future events and thanks Prairie City Cinema for making this night very successful!

The event was held to show appreciation for the dedication and hard work shown by both full-time staff and the departing summer students over the past few months.

August Charity & Event Support

CFPD Advertisement Sponsorship

The Community Foundation of Portage and District (CFPD) ran an advertisement in the Graphic Leader highlighting Portage Animal Welfare Society (PAWS). In 2020, 150 women voted for PAWS to receive the Women Who Care grant to assist in phase one of building their new Animal Adoption Centre. The building will provide more room for the organization to house stray and abandoned animals and will provide a meeting area for educating the public. Southport proudly sponsors these monthly advertisements as the CFPD is one of Southport's key community partners.

Manitoba Aerospace Annual Golf Tournament

In August, Southport attended the annual Manitoba Aerospace Golf Tournament. All proceeds from this annual tournament went toward the Manitoba Aerospace Students Endowment Fund. It was a great day of networking and fun, while helping raise funds that assist secondary and post-secondary students in achieving their career goals in the aerospace industry. Southport proudly supports this tournament and the efforts of Manitoba Aerospace in encouraging youth to pursue careers in the aerospace industry.
